

Development Update

Carolyn Purks, Director of Development

This summer a team of staff, board members and parents traveled to Dallas, Texas for further training in developing long-term sustainable funding for WCA. This team of dedicated individuals will continue to implement specific strategies to ensure the future of the school's legacy. An important piece of this plan is holding monthly Catch the Vision! tours that communicate the mission and vision of the school and introducing guests to the stories and testimonies of teachers, students and parents. As more and more people recognize and support the unique opportunity of Christian education, the mission to teach students "to fly" will be fulfilled!

Upcoming ***Catch the Vision!*** tours:
Tuesday: September 9th, October 14th,
November 11th from 8:00 to 9:00 am

Please call Carolyn Purks, 220-1978 ext. 113 for more information or to make a reservation. If you cannot attend a tour here at school, please call to request a "***Tour in a Box***" that can be brought to you!
