

SEPTEMBER NEWS

I'M SO WONDERFULLY MADE!

God made the mountains,
God made the seas,
God made the animals,
And God made me!

Welcome to our class! We are so excited about the year ahead of us, and are looking forward to a great year with your child!

At the end of each week you will receive a "NEWSLETTER" that will let you know what activities are planned for the following week.

Along with the weekly newsletter, you will also receive a monthly "NEWSLETTER" that will give you an overview of what will be happening in our classroom for that month.

During the month of September we will be getting to know one another through a variety of games and activities. We will be talking about how God has made each one of us special and unique. Our theme for this month is **I'M SO WONDERFULLY MADE!** This unit will include activities about our families, homes, & our five senses. We will be learning about Creation during Bible Time.

Along with the monthly theme, we will be celebrating a special day in our class. Our special day this month will be **JOHNNY APPLESEED DAY.**

Each month the children will be introduced to one color and one shape. The color for September is **BLUE** and the shape is the **CIRCLE**. Show-'N'-Tell will be at the end of each month, something that relates to our theme. The children will also be introduced to the **SOUND BUCKET**, which will relate to the Letter of the Week. More information to follow.

In Pre-K we operate a **SNACK CO-OP**. You will receive more information about this program along with a snack list during the first week of school. We will provide snack for the first week of school.

Once again, welcome! We hope this year will be a fun-filled learning experience for you and your child!

Mrs. Jean Jurasek and Mrs. Diana Peterson
