

## College Test Preparation

**Wednesday, October 14, 2009** is college preparation test day at WCA.

9<sup>th</sup> grade: PSAT (This is practice for standardized testing and for the PSAT taken the junior year, when it counts for the National Merit Scholarship.)

10<sup>th</sup> grade: PLAN (This pre-ACT test also has an interest and career section to it.)

11<sup>th</sup> grade: PSAT (The PSAT taken as a junior can qualify some of our students as National Merit Scholars.)

Homeroom will meet as usual. Students should come to school rested having had a good breakfast. They will need two #2 pencils, and a calculator is optional; however, it cannot be an alphabet keyboard or a cell phone—regular calculators only! The 9<sup>th</sup> and 11<sup>th</sup> grade will test on campus in the gym, and the 10<sup>th</sup> grade will walk across Schoolhouse Lane to the church, where we will have desks set up in the worship room. Testing will be complete by noon, and classes will resume after lunch.
