From the Development Office...

United Way Campaign: If you participate in the United Way Campaign through your workplace, you may support WCA through your gift to the United Way! All you have to do is write *Williamsburg Christian Academy* on the bottom of your Pledge Form where a space is provided to designate a particular agency. Since we are a 501(c)3 organization, we are eligible to have our name written there. You do not need a code number to designate WCA as long as the school's name is written out.

Combined Federal Campaign: WCA has been approved for inclusion in the 2010 Combined Federal Campaign of the Virginia Peninsula. This means that local federal employees may choose to designate their donation to go to WCA when they contribute to the CFC. For the contribution to be designated to WCA, you need to write in the **code 37973** for the CFC donation. Thank you for considering WCA to be a recipient of your contribution! The funds are disbursed in March of 2011.

Farm Fresh Receipts: Thank you to **Mrs. Mav Reyes** for managing the Farm Fresh receipts for us. This summer, WCA received the following items from last year's collection: Four HP Deskjet color printers, one laminator with 200 pouches, one color scanner, six playground balls, three Language Arts bingo games, three sets of watercolors, and three oil pastel sets. **THANK YOU!** *Starting in September, remember to keep your original Farm Fresh and Fuel Express receipts and deposit them in the wooden box at the lobby.*

From the Lunch Program...

Welcome to the 2010-2011 WCA school year! I would like to offer some information to you about the WCA Lunch Program.

- We are delighted to have Jeff and Christy Aczel from Custom Culinary Connections (affectionately referred to as CCC) preparing homemade lunches for our school body again this year. They have a private catering business that services our school as well as any catering need you may have. We offer catered lunches Monday through Thursday, with Chick-fil-A and Daddy'Os pizza on rotating Fridays.
- To order lunches, just go on the WCA website, look under information, click order lunch, enter password "lunch", and make your selections. You will find the menu with your options for ordering when you click on the month. You will need to place your order a week in advance and you can order for two weeks. The cut off day for ordering lunches is Thursday's at 12:00 noon.
- In addition to the lunches, we offer chips, granola bars, ice cream, homemade chocolate chip cookies, homemade brownies, milks, juices, and waters at all the lunches.

Welcome back to our "old" WCA families and we look forward to serving our "new" WCA families!

Blessings, Kerry Smith, WCA Lunch Coordinator (220-1978 ext. 141).
