Dear Parents:

Welcome to the 2011-2012 school year! I hope you have had a good summer. My name is Miss Kluge and I will be your child's new orchestra teacher. I am thrilled to be here and am looking forward to working with your child.

I believe that every student has the potential for success in music and that playing together helps build teamwork, self-discipline, and cooperation. It helps to unify the body and is a way in which we can bless each other and bless God.

Lessons for elementary students will begin the week of September 12th. The middle school and high school students will begin at the start of the school year. This gives the younger students a chance to adjust to the school year and their classroom activities before beginning strings.

If you would like to join the strings program and are not yet enrolled, please come join us! We would love to have you be a part of our group! Please be aware that there is a \$150 strings fee per year that will be billed to your account. Please see Linda Roadely in the business office for questions regarding fees. Also, if you are new or if you are in need of a new WCA Strings Shirt, please fill out *Polo Shirt Form* to order your black polo shirt.

I look forward to making music with your children!

Sincerely,

Carolyn Kluge
